Consultant:

3 Description of Proposal

(For culverts, please state whether concrete, corrugated, or plastic)

Safety handrail proposed as part of Rangitauki River walkway - located at "mural" wall in College Road, Edgecumbe.
- see plan on back page

4 **Duration Dates**

during the month - 10/6/12 - 10/7/12

5 **Site Plan**

Please provide a site plan showing works relating to the proposal and the area surrounding the site etc.

See 2 adjoining pages

6 **Fees**

A fee is payable with this application. The council may, by resolution publicly notified, prescribe or amend any fee or charge payable by any person under this bylaw. The council may in its absolute discretion refund, remit or waive the whole or any part of such fee.

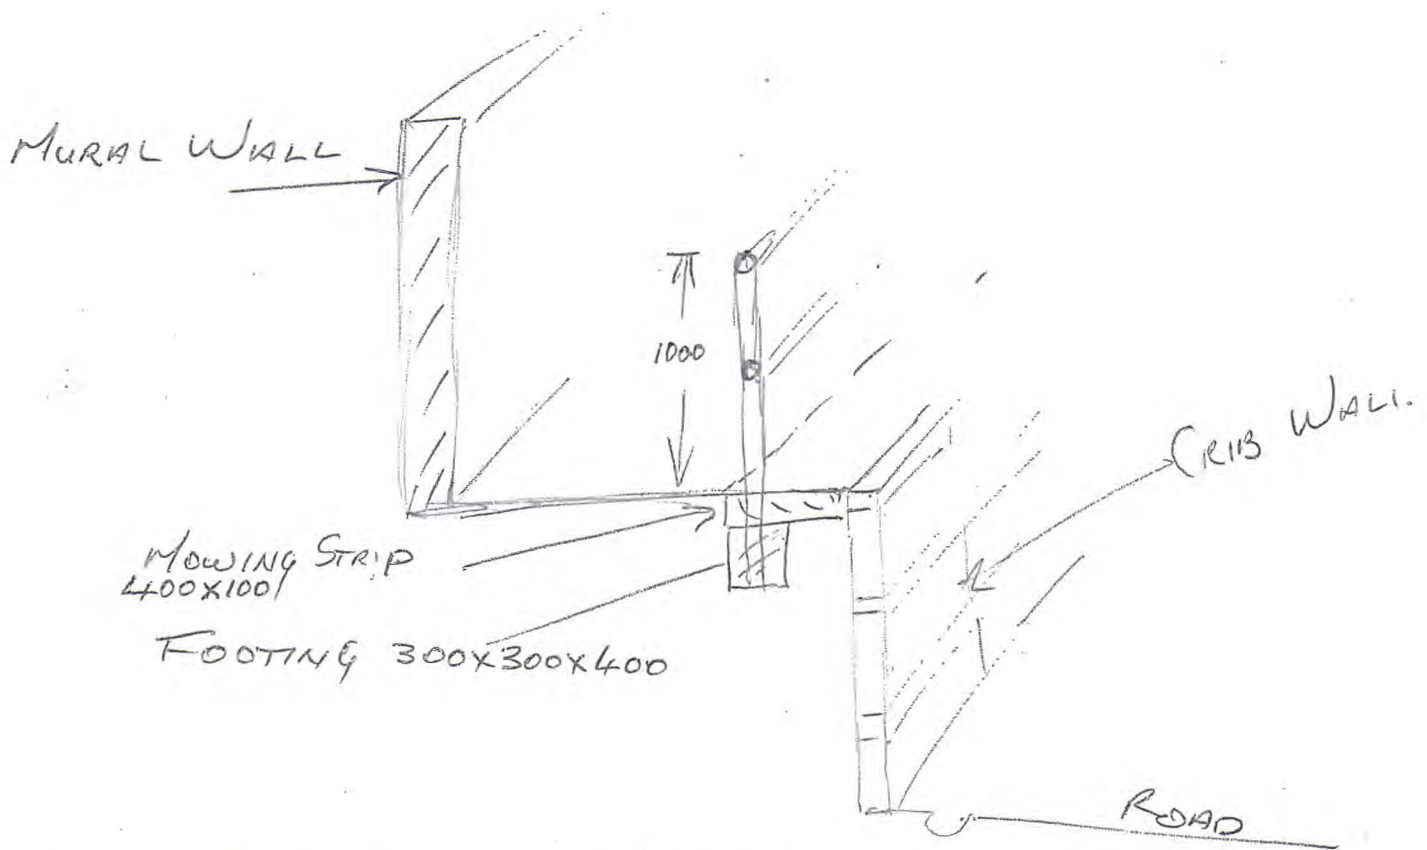

All fees are inclusive of GST

- Standard Authority Fee** **\$112.50**
(for routine authority applications not requiring a field inspection).
- Authority Fee Involving Site Inspection** **\$168.75**
(for routine authority applications requiring a site inspection by staff).

Authority applications that are not routine and require technical investigation will be received at the actual and reasonable cost as determined by the annual charges used in the Annual Plan preparation.

Please call 0800 ENV BOP (368 267) for any queries.

20 metres of safety handrail on river bank at College Road, Edgelycumbie

Handrail - Galvanised pipe
Post = 50mm
Top Rail at 1m = 40mm
Lower Rail (approx 1/2m) = 32mm.
All standard pre-fabricated handrails
(Design used at Fonterra)
